

Information needed

Acclimatization / adjustment period

Please check in advance with Marianne or Susanne when or how long you want to stay with your child during the acclimatization process for your child when joining Topolino. Every child is different so an individual approach is given in order to achieve a successful acclimatization.

The caregivers can be reached on Monday to Thursday between 8.00 to 8.30 am and 1.15 to 1.30 pm at Topolino. An important ritual at Topolino is when the kids take off their outdoor shoes and put on their slippers. This helps them to say good bye to their parents.

Drop off and pick up

In the morning, the kids should arrive at Topolino between 8.30 to 9.00 am. After lunch, the kids should be picked up between 1.00 to 1.15 pm.

Parking

Please allow enough time to find parking when dropping or picking up your kid. It is prohibited to park in the driveway of Topolino and on the Poststrasse. Also, please can we ask you to make sure that the kids are not too loud in front of Topolino, especially at noon.

Clothes

The activities at Topolino include painting, gluing, cutting, playing with water and eating. Therefore, please dress kids in comfortable and washable clothes. In case anything happens there are replacement clothes available, which you can wash and return. At Topolino all kids wear slippers when it's warm enough they can go barefoot. There is a shelf where the slippers are stored. Often the kids play outside either in front of Topolino or in the garden. Please dress your kids in functional clothes. In winter, kids should wear boots, jacket, gloves and a hat. In summer, please put sunscreen on your kid and bring a sunhat.

Snack

For the mid-morning snack please provide your child with healthy food such as, fruits, bread and vegetables. Sweets such as cake, chocolate and biscuits are inappropriate due to possible tooth damage.

On your child's birthday, they are of course allowed to bring a cake or an ice cream or something else your child likes for everyone.

Messages to the parents

Most messages will be sent to parents by email. Occasionally, you will receive information by post or in your kids bag on their coat hook.

Holidays and absences

Please inform Marianne or Susanne in advance of any planned holidays or absences for your child. Topolino holidays and other bank holidays when Topolino is closed, are provided in the Topolino Annual Program which is emailed to all parents at the beginning of the year.

Additional care days

If another child is absent, there is the possibility to bring your child for an extra morning. The cost per child is CHF 80 for the morning. Please talk to the caregivers to make arrangements.

Illness

In case of illness please inform Topolino as soon as possible, latest in the morning between 8.00 and 8.30 am. Kids should stay at home in case of chickenpox, measles, scarlet fever, stomach flu, flu, fever and other infectious diseases. The needs a minimum of 24 hours without illness before returning to Topolino.
